

Hi my name is Angela B.Cobb I am writing in concern of a Company by the name of integretal who placed some kind of personal voice service on my line 252 824-7353. From what was told to me that someone that doesnot stay in my home authorize for this service on my line..I think it should be against the law for someone to place something on an account that is not authorize.. I received poor customer service and I am wishing that someone could help me clear this matter up.. My mom and husband is the only authorize users name on my phone bill with Sprint. I am only trying to help myself and others who have been scammed.. Ingretal # is 800 736-7500..Please respond back to me if you can help me to put a stop to this Company at 252 824-7353 or 314-3227..Thank you
